## **Mother, Son Arrested in Drug Scheme at Sussex Correctional Institution**

On Tuesday, October 24, 2017, investigators at Sussex Correctional Institution (SCI) arrested Donna S. Milam, 57, of Avondale, Pennsylvania and Marco Marin, 35, an inmate housed at the institution. Investigators obtained warrants for the arrest of both parties due to an incident earlier this month when Milam mailed an illegal substance to her son. Investigators discovered Donna Milam had a visit scheduled with Marin, during which they planned to exchange contraband. Investigators thwarted the plan and both were arrested without incident. Mother and son were charged in both incidents.

Donna Milam was charged with Possession with Intent to Deliver, Conspiracy 2<sup>nd</sup> degree, and Promoting Prison Contraband. She was committed to the Department of Correction in lieu of \$12,000 secured bail.

Marco Marin was charged with Criminal Solicitation 2<sup>nd</sup> degree, Conspiracy 2<sup>nd</sup> degree, and Promoting Prison Contraband. Marin, who is currently awaiting trial on unrelated charges, was issued a \$10,000 secured bail.
