Dover, DE – On Wednesday, June 29 at 1:00 p.m. the Delaware Department of Correction invites you to join its next “DOC Insider Series” webinar with a focus on **Prison Healthcare**. The DOC Insider Series provides members of the public with an inside the walls look at Delaware’s correctional programs, practices, and policies. Each 90-minute webinar features a live informational presentation followed by an interactive question and answer session with attendees.

The June 29 Insider Series webinar focuses on the comprehensive correctional medical services provided by the DOC including medical and dental care. Speakers will highlight recent initiatives taken by correctional healthcare staff to meet the needs of incarcerated persons and will review Delaware DOC’s ongoing COVID education and vaccine efforts, treatment, and testing. The DOC Insider Series Webinar: “Prison Healthcare” is facilitated by the Department of Correction Office of Planning, Research and Reentry and is presented by DOC Medical Director Dr. Awele Maduka-Ezeh, DOC Infection Control Nurse Anneke Cerri, and DOC Community Health Director Susan Conley.

“The Delaware Department of Correction continues to engage with community stakeholders to increase public awareness of our programs and policies and identify opportunities for further collaboration to meet our dual mission of public safety and offender rehabilitation,” **Department of Correction Commissioner Monroe B. Hudson Jr. said**. “Please join us online on June 29th to receive an insiders look at the healthcare services we provide to individuals in our custody.”
